Rolf visits artistic flagbearers

9th May 2007

Rolf Harris with pupils from Kelvin Grove Primary School and their flag design

ARTIST Rolf Harris has visited a museum to view an exhibition and meet pupils.

The Australian celebrity paid a visit to the Horniman Museum, London Road, Forest Hill.

He was met by Ghanaian textile artist Seiwa Cunningham and children from schools in Lewisham and Greenwich.

The exhibition also features work by Baba Issaka, a master flagmaker from Ghana who worked with the children on their creations.

More than 100 pupils created their own flags around themes such as the 200th anniversary of the abolition of the slave trade.

Schools taking part were Kelvin Grove Primary School, Kirkdale, Sydenham; Invicta Primary School, Invicta Road, Blackheath; Green Acres Primary School, Witherston Way, Eltham, and Eltham Green Secondary School, Withers Way, Middle Park Avenue, Eltham.

The free exhibition runs until June 3.
